SIERRA NEVADA CONSERVANCY BOARD APPROVES \$2.9 MILLION TO PROTECT WATERSHEDS AND RESOURCES

Total Funding for Current Fiscal Year is \$17 million for 146 projects.

McArthur (Shasta Co.) – The Sierra Nevada Conservancy (SNC) governing Board today voted to authorize \$2.9 million in funding for 25 projects aimed at improving the environmental and economic well-being of the Sierra Nevada Region (list attached). The projects include watershed restoration, reduction of fire risk, protection of habitat and natural resources, and activities related to project planning and education. The Board's action today, taken at its quarterly meeting, brings the SNC's total funding for the current year to nearly \$17 million for 146 projects (list attached).

"These projects will make significant contributions toward the protection and restoration of Sierra watersheds, natural resources and communities," said Placer County Supervisor and SNC Board Vice-Chair Robert Weygandt. "Proposition 84 was enacted by the voters in 2006 to protect our valuable watersheds and we are pleased with the speed in which the Conservancy has moved these funds into the hands of those doing the work at the local level."

Proposition 84, the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coast Protection Bond Act was passed by California voters in November 2006 and is the SNC's main source of grant funding at this time. Public agencies, qualified non-profit organizations and federally recognized tribal organization are eligible to receive funding from the Conservancy, whose Region includes 25 million acres of the Sierra Nevada from the Oregon border in the north to eastern Kern County in the south.

"We are very pleased to have received so many outstanding project proposals from throughout the Sierra Nevada region," said Jim Branham, Executive Officer for the SNC. "The SNC was created with an understanding of the importance of integrating environmental and economic values and these projects are doing just that."

The SNC is headquartered in Auburn with area offices in Mariposa, Susanville and Bishop. It was created through bi-partisan legislation co-authored by state Assembly members John Laird and Tim Leslie and signed into law by Governor Schwarzenegger in September of 2004. Information about the Conservancy and its grant programs can be found at www.sierranevada.ca.gov.
